Maree Hennessy is a recognised classroom practitioner, professional development facilitator and mentor. She has worked with music educators throughout Australia and in Malaysia. Maree is past president of KMEIA Qld and co-ordinator of the *Open Classroom Series* in Queensland. She has presented for *Musica Viva in Schools* and has lectured at the University of Queensland. Having worked in country Queensland for many years, she has extensive experience in teaching and learning in multi-level contexts. Currently teaching at Somerville House, Brisbane, she is also lectures in Aural Pedagogy in the *Sound Thinking Summer Program*. Maree has presented at conferences in Australia and abroad and her work explores the impact of effective pedagogical practice in contemporary educational settings. Maree has a particular interest in and commitment to teacher development. She believes collaboration is key to building professional learning communities and in achieving excellence in teaching and learning.
